

more = less

Let's put an end to **MORE**:

CONSUMER WASTE
TRAFFIC CONGESTION · SEWAGE
ECONOMIC INEQUALITY · ENERGY USAGE
CONTAMINATED WATER · SOCIAL UNREST
DESTRUCTION OF NATURE

THE 2008 BERMUDA DEVELOPMENT PLAN DETERMINES THE RULES AND GUIDELINES TO BE FOLLOWED IN CONTROLLING THE USE AND DEVELOPMENT OF ALL BERMUDA LAND

We can't stop economic progress, but we can make sure it is done in a **MORE** sustainable manner. Through smart urban planning, we can make meaningful change to ensure quality of life for future generations.
